### Right to Life (Culture of Life)

Our council has supported this component of good and worthy causes since its establishment. Our country exists because its founders recognized that certain truths were self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness. What has happened to those “Truths” that 200+ years ago were so self-evident?

We know that all Life begins at conception. That being known, we now have to educate others who vote, are pregnant at an inconvenient time, judges, healthcare providers, our children and grandchildren, that is our whole culture to this “Truth”. If we can’t respect life in any of its stages, we need to rethink our values and perhaps our consciences. ( [www.PoliticalResponsibility.com](http://www.PoliticalResponsibility.com))

Our council (and parishioners from St James and OLA, 28 total) recently supported an annual benefit dinner for Muskegon Pregnancy Services (MPS)/Best Options. The speaker was excellent and emphasized the compassion and nonjudgmental attitude needed for those ministering to women (and men) who found their way to MPS as opposed to an abortion clinic. Those who see an ultrasound of their unborn baby almost always choose life. They will need help with resources and much prayer.

On Thursday, October 27, at the Holiday Inn in Muskegon, at 6:00 pm, is the Muskegon Right to Life FOCUS ON LIFE Annual Benefit Dinner. We would like to fill a table of 8 or more for this function. Tickets are \$35 for adults and \$20 for students. The speaker will be Genevieve Marnon. She is the Public Affairs Associate for Right to Life of Michigan and serves as their main media spokesperson. She also works as an associate lobbyist advancing prolife legislation at the Capital in Lansing. Please call Bob or Mary Hyatt at 893-8965 to reserve a place. Muskegon RTL would like reservations by Oct 20.

As to who to support/vote for in the upcoming election you can go to [www.rtl.org](http://www.rtl.org) for a personalized list of RTL-PAC endorsed prolife candidates. Fr. Frank Pavone, Priests for Lifer, says “if a politician cannot respect the life of a little baby, how is he (or she) supposed to respect yours?”
